

Name: Mrs. Radhika Bappasaheb Kapate

M.E. in Structural Engineering

B.E. in Civil Engineering

Email: rbkvacoe@gmail.com

Cell No: 7620855371

Designation: Assistant Professor

Dept name: Civil Engineering Department.

Experience: Teaching- 12Years

Field- 3 Months

Areas of Interest: Design of RCC, Design Design of Steel Structures, Concrete Technology, Estimating & Costing, Engineering Mechanics, Geotechnical Engineering, etc.

Conferences/Publications:

- Prof. Kapate Radhika B, Mrs. U. R. Kawade 'Investigation on Beam Column Joint Behavior Under Seismic Loading with Ductile Detailing' International Journal of Applied Research and Technology.
- Prof. Kapate Radhika B Novateur Publications JournalNX-ISSN No: 2581-4230
- IRJMETs-e-ISSN:2582-5208 Effect of Ferro-cement in Beam-Column connection in combined Bending & Shear
- IRJMETs-e-ISSN:2582-5208 Effect of Fly Ash variation in Clay Bricks

Workshop/FDP & Seminar:

- 3 Day workshop on "Environmental studies" by Indian Institute of India, Ahmednagar.
- 7 Day National Level FDP on Role of Artificial Intelligence and Automation in Civil Engineering
- 1 Day workshop on Piped Drinking water Management system IS 17482-2020
- 1 Day workshop on Youth Leadership for Climate Action bio-Cultural Diversity conservation and Climate Action under green club
- 1 Day workshop on "Second year civil engineering syllabus (2024 pattern) revision as per N.E.P.2020", SPPU,PUNE
- 5 Day workshop on "Online Syllabus Orientation Workshop for S.E. Civil (2019 Pat.)" by SPPU
- 5 Day FDP on Green energy for sustainable energy development.
- 5 Day FDP on TREND SET 2024-Modern civil engineering essentials
- 5 Day FDP on Academic & Research opportunities, Research grants and publications
- 5 Day FDP on Next generation engineering practices: Materials, Design & Manufacturing.
