

Name: Ms. Kalyani Shashikant Choudhari

M.E. in Structural Engineering

B.E. in Civil Engineering

Email: ksc.vacoe@gmail.com

Cell No: 8087384264

Designation: Assistant Professor

Dept name: Civil Engineering Department.

Experience: Teaching – 5 Years

Industrial – 3 Years 6 Months

Areas of Interest: Design of RCC, Design of Steel Structures, Concrete Technology

Conferences/Publications:

- Asst. Prof. K.S. Choudhari, Mechanical Properties of Oven Cured Fly ash based Geopolymer Concrete
- Asst. Prof. K.S. Choudhari, Parametric Study of Geopolymer Concrete

Workshop/FDP& Seminar:

- FDP on 'Blended Learning' organized by Sanjivani Institute of Management Studies, Kopergaon
- FDP on 'Research Methodology' organized by National Institute of Technical Teachers Training and Research, Chandigarh
- FDP on 'Recent Trends in Civil Engineering' organized by MIT Polytechnic, Chhatrapati Sambhaji Nagar
- FDP on 'Innovations in Bridge Engineering : Design, Auditing and Maintenance' organized by Sanjivani College of Engineering, Kopergaon
- FDP on 'Advancements in Concrete Technology : Microstructure, High-Temperature Effects and Strengthening' organized by Jaihind College of Engineering, Kuran
