

Name: Ms. Anjali Nanasaheb Bramhane

M.E. in Structural Engineering
B.E. in Civil Engineering

Email: branjali.vacoe@gmail.com

Cell No: 9975320810

Designation: Assistant Professor
Dept name: Civil Engineering Department.
Experience: Teaching – 1 Years

Areas of Interest: Design of RCC, Fluid Mechanics, Concrete Technology, Geotechnical Engineering

Conferences/Publications:

- Asst. Prof. A.N Bramhane, Utilization of bagasse ash and polypropylene fiber for manufacturing of cement brick
- Asst. Prof. A.N Bramhane, Experimental investigation of RC beams retrofitted with CFRP strengthening technique

Workshop/FDP& Seminar:

- FDP on Academic and industry research opportunities research grants and publications
- FDP on 'Coastal Engineering Comprehensive insights for onsite solutions
- FDP on 'Role of Artificial intelligence and Automation in civil engineering
- 1 Day workshop on Youth Leadership for Climate Action bio-cultural Diversity conservation and Climate Action under green club
- 5 Day FDP on Next generation engineering practices: Materials, Design & Manufacturing
- FDP on Recent Trends in civil Engineering Organized by MIT Polytechnic Chhatrapati Sambhajanagar.
