

Name: Mr. Khalil Ahmed Siraj Shaikh

PhD Pursuing

M.E. in Structural Engineering

B.E. in Civil Engineering

Email: shaikhkhalils@gmail.com

Designation: HOD

Dept name: Civil (Polytechnic)

Experience: Teaching- 13 Years

Areas of Interest: Structural Engineering, Geo-technical Engineering, Construction Management.

Publications:

1. Tensile Strength of Geopolymer mortar as Matrix in Ferrocement, Civil P.G. Conference organized by SPPU, June 2016.
2. Effect of Geopolymer mortar in Ferrocement for variation in mesh size and number of layers, IJRPET, Vol 2, Issue 12, December 2016.
3. Enhancing The Properties Of Concrete By Using Alkaline Solution And Its Comparative Study With Conventional Concrete, Published In Ijcr (Wwww.Ijcr.Org) & 7.97 Impact Factor By Google Scholar Volume 12 Issue 6 June 2024 , Date Of Publication: 12-June-2024 UGC Approved Journal No: 49023 (18).
4. An Experimental Approach On The Influence Of Addition Of Metakaolin On The Properties Of Geopolymer Concrete In Volume 12, Issue 6 Of Ijert- International Journal Of Innovations In Engineering, Research And Technology, June 2025, Published By Novateur Publication, M.S. India.

Conferences:

1. National Conference on Innovation & Technological Development in Civil, Computer & Mechanical Engineering, 2016.
2. A National Conference on Convergence of Technology, 2017.

Workshop/ FDP & Seminar:

1. A One Day State Level Seminar on "Green Technology", 2017.
 2. Two Days State Level Workshop on "Farm Water Conservation", 2017.
 3. A One Day Seminar on Reduction in Water Consumption, 2017.
